

# THE BELL IS BACK

## THE HAND-BELL RINGERS OF GREAT BRITAIN VS THE ORB

**Kids go free to the British Music Experience in celebration of the anniversary issue of Mike Oldfield's Tubular Bells and Mike Oldfield: The Collection. The British Music Experience and Mercury Records are proud to present... The Hand-Bell Ringers of Great Britain Vs The Orb.**

The Hand Bell Ringers of Great Britain, Europe's largest Hand Bell and Chime Orchestra, will descend on the British Music Experience for this completely one off event. In addition to playing selections from their repertoire and extracts from Tubular Bells, they will also be running workshops so you can learn to chime in time with the pros.

Legendary ambient house pioneers The Orb will also be landing at the British Music Experience as part of the celebrations, and we are delighted to welcome them as they perform a unique 'Orbular Bells' DJ set.

An afternoon of bell ringing, interactive workshops, visuals, and ambient music – as eclectic as Tubular Bells itself and an amazing experience for all the family!

The BELL IS BACK afternoon is included in the price of admission to The British Music Experience - the world's first fully interactive music visitor experience. Kids go free! Anyone entering between 2pm and 6pm can bring their adult ticket to the box office to claim their free child's ticket.
